

# KRANMEISTER

## Aluminium debris skip

*Dumping made easy - thanks to the automatic dumping system*

### **With automatic tipping**

- No second person required
- Low dead weight with high payload
- Attractive design with aluminium chequer plate

Available in five sizes from 0.5m<sup>3</sup> to 2m<sup>3</sup>

[www.trailercranes.co.uk](http://www.trailercranes.co.uk)

*Dimensionally stable due to folded and fully welded components for long service life*

Tilting device with automatic locking and unlocking mechanism

Stable skids allow for driving underneath with a forklift truck

Stable support arm made of high-strength aluminium profile

Debris skips AS 1500 and AS 2000 with extra-reinforced floor
